Tri-Cities Christian Academy wins “Best of the Best” Private School in the Herald Courier Best of the Best Contest

Blountville, TN – Tri-Cities Christian Academy has won the “Best of the Best” Award for Best Private School in the recent “Best of the Best” Contest in the Herald Courier.

Tri-Cities Christian Academy, a member of the Lakeway Christian School System based in Morristown, Tennessee, was nominated for the honor in late January and competed against several other academies in our area. After two weeks of online voting from residents across our region, TCA received the “Best Private School” Honor.

“When TCA became a part of Lakeway Christian Schools we knew that God’s plans were greater than anything we could ask or imagine,” Dr. Bob Brown, the Executive Director of Lakeway Christian Schools, says. “When I think of the growth and improvements we have experienced over the last year and a half, I am amazed at how far we’ve come. We are honored with this award, and very grateful for all who voted for us. However, my current excitement pales in comparison to what lies ahead. The next few years should prove to be years of abundant blessings for TCA with the addition of new programs and facilities to meet the needs for Christian education in the Tri Cities region. In that sense we are a Jeremiah 29:11 school - *“For I know the plans I have for you,” declares the LORD, “plans to prosper you and not to harm you, plans to give you hope and a future.”*

Britt Stone, Head of School at TCA, echoes Dr. Brown’s hope for the Academy’s future. “It is a tremendous honor to be voted the ‘Best Private School’ in our region in the Herald Courier’s ‘Best of the Best’ contest. For our administration, faculty and staff, it is further confirmation of the incredible impact we are making in the lives of our students and their families for the glory of God. We are committed to provide a Christ-centered and academically challenging education and equip students with a Biblical worldview and heart for Christ. We look forward to opening a brand new, state of the art facility very soon which will enable us to offer more families the opportunity for their children to receive a premiere Christian education in the Tri-Cities region.”
