

LAKEWAY

CHRISTIAN ACADEMY

Academic Profile
2020-2021

CEEB Code: 430539

A Christ-centered high school whose confidence rests in the hope that, in Christ, we rise in all things.

About Our School

Serving the community, exploring the beauty of nature, painting a canvas, depicting biblical truth - learning and achievement go far beyond the boundaries of textbooks and lectures. Founded in 2018, Lakeway Christian Academy is a college preparatory, coeducational school serving students in grades 6-12. Located in White Pine, Tennessee, we partner with families to provide a Christ-centered and academically challenging education, equipping students with a biblical worldview and a heart for Christ, that they may grow in wisdom, stature, and in favor with God and man. Our growing enrollment currently stands at 381 - 58% male, 42% female.

Equipping with Excellence

We believe that a commitment to excellence must motivate all that we do. It is our desire that each student develop a lifelong love of learning, impacting our world for the cause of Christ. We aspire that upon graduation, students will be equipped to lead a life of significance glorifying God and prepared to achieve their post-secondary goals to be leaders in their respective fields of study.

Critical Thinking

Our curriculum prepares students for college or their career path of choice, with biblical truth as the fixed point of reference. We help students recognize that all areas of instruction - scientific, historical, mathematical, literacy, or artistic - must be understood within the pattern of God's truth to help them grow in confidence and discover depth of understanding to develop skills that will last a lifetime. LCA promotes student-driven conversations around essential questions and ideas that require students to not only share their thoughts, but also listen to others, analyze ideas and arguments, and to synthesize new thoughts. Problem and project-based learning methodologies are utilized to explore complex topics and attempt to answer difficult questions in a collaborative way.

Career and Technical Education

LCA offers training to prepare students with academic, technical and employability skills needed for postsecondary and workplace success. CTE classes provide innovative learning environments that promotes collaboration, perseverance, as well as navigate technology to become informed digital citizens.

Leadership & Involvement

Lakeway Christian Academy offers a plethora of opportunities to which students can lead their peers and invest in our school culture. Prefects, Coalition Leaders, Peer Tutors, Team Captains, and Club Leaders are a few examples where our students uphold the school's principles of serving one another in love, living a life of integrity, and building a kingdom-minded community.

School Administration

Dr. Robert Brown
Executive Director

Mr. David McVicker
Principal

Mr. Jeramy Ezell
Assistant Principal

Mrs. Alani Staples
Director of School Counseling

Mrs. Karen Garner
Director of Admissions

Mrs. Nancy Setsor
Registrar
