Nate and Noah Financial Aid Fund: This Fund is a Flexible Tuition Process. Flexible tuition is a need-based financial aid structure - similar to those used by other private schools, colleges, and universities.

- Families with **one student** will pay no more than 10% of their gross income.
- Families with **two students** will pay no more than 14.25% of their gross income.
- Families with **three or more students** will pay no more than 18.5% of their gross income.

All families are eligible to apply. The financial aid request will be verified through our financial aid program, called FAST, for which a processing fee is required.

Financial aid award will be applied to the full Total Tuition, not the 50% discounted tuition rates above.

Alternative Discounts: Your family may be eligible for one of the following discounts:

- **Multiple Student Discount:** You may take the following discount off of each student's tuition cost: 5% for two children, 7.5% for three children, or 10% for four or more children enrolled.
- **Pastor Discount:** A 25% discount for children of a full-time vocational minister.
- **New Student Referral Discount:** For each new student referred and accepted, the referring family will receive a 10% discount on one of their own enrolled student's tuition. This is available for all families, including those receiving the Nate and Noah Financial Aid.

Only ONE discount per family may be applied, with the exception of the New Student Referral Discount.
